WARRANTY NOTE # 1-68

MODELS: ALL "D" MODELS 1969

SUBJECT: MICHELIN TIRE

This is the new Michelin Warranty book, it will be supplied with each new 1969 Citroën you purchase, it also applies to any new tires you purchase for replacement.

This 40,000 mile Guarantee should prove helpful as a sales tool, but like any warranty is only as good as the information you supply. Please be very sure the form is filled out completely including serial numbers of all 5 tires, insert car serial number in space marked "model" In space marked "tires purchased", indicate this is a new car. Tires pressures are: front all models 30 P.S.I., sedan rear 2½ P.S.I., station wagon rear 30 P.S.I.

Detach dealer copy and send to this office with record of delivery, detach Michelin copy and send to them.

If a tire is presented for adjustment the small tab for that tire must accompany the tire with current mileage filled in.

This program only applies to 1969 model cars equipped with 180 x 380 x H tires.

We will appreciate your cooperation.
